

Drawing a beautiful arc for DEAR SHE

The "arc" in the space creates a mellow environment. The "arc" on the face becomes a happy smile. Every visiting woman or girl deserves to be cherished. Looking forward to seeing your face beaming with a sweet smile in the restaurant.

概念

在「她經濟」時代，以「女性用餐」為經營主方針，從「女性視角」切入打造餐廳品牌，女性視角代表著更挑剔的眼光、更高的品質追求，以女性特有柔美、具包容力的smooth特質，開啟了以「弧」為主要設計元素的商業空間。

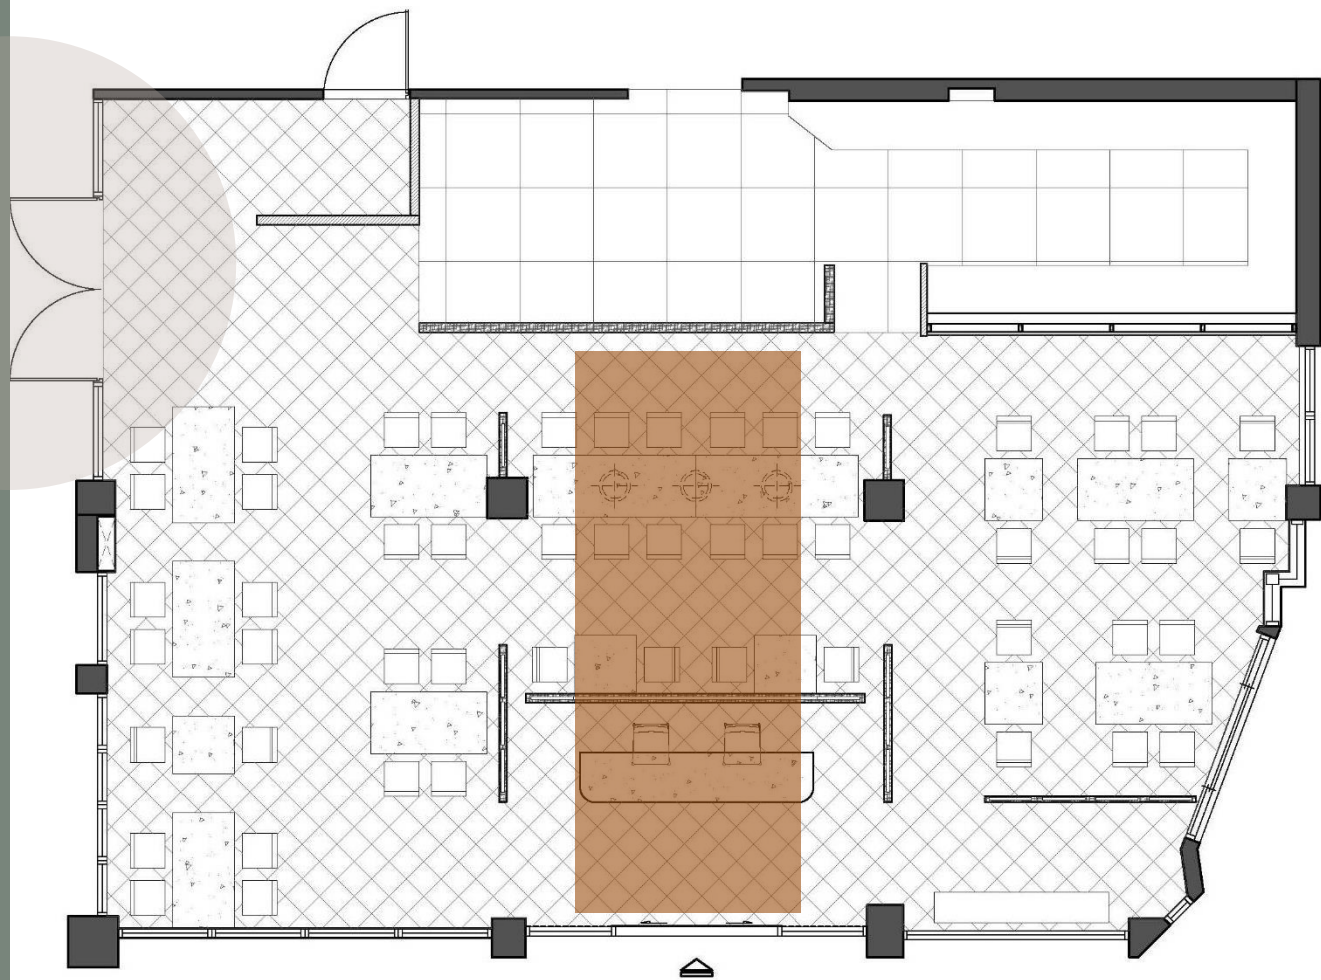

Concept

In the era of "She-Economy", "women's dining" is the orientation of this restaurant. The owner built the restaurant according to the "female perspective", it represents a more discerning vision and a higher quality pursuit. Based on the specific feminine and inclusive smooth characteristics, the restaurant uses "arc" as the main design element of this commercial space.

一字形接待收銀櫃臺極具張力，創造視覺放大效果，主牆面採用綠色藝術板混搭咖啡色鐵件，弧與弧巧妙結合，修飾銳利邊角，溫和圓潤；四周隔屏運用方格玻璃，光線穿透折射產生水晶閃爍效果，透光不透視增加隱蔽感，確保收銀安全

A lateral long reception counter stands in the entrance and its unique appearance creates a visual magnification effect. The main wall is decorated with the green decorative panel and brown iron pieces. Arcs of the wall are ingeniously combined to round the sharp corners and make the wall look gentler and warmer. Grid glasses are installed around as partitions, and the refraction of incident light produces crystal glittering effect. The light-transmitted but non-transparent glasses enhance privacy and ensure the safety of the counter.

「日」字型動線規劃，流暢出、回餐動線，主要用餐區全面鋪設義大利霧面閃釉磨石花磚，白底深綠幾何圓形圖樣復古典雅，為空間溫馨定義。

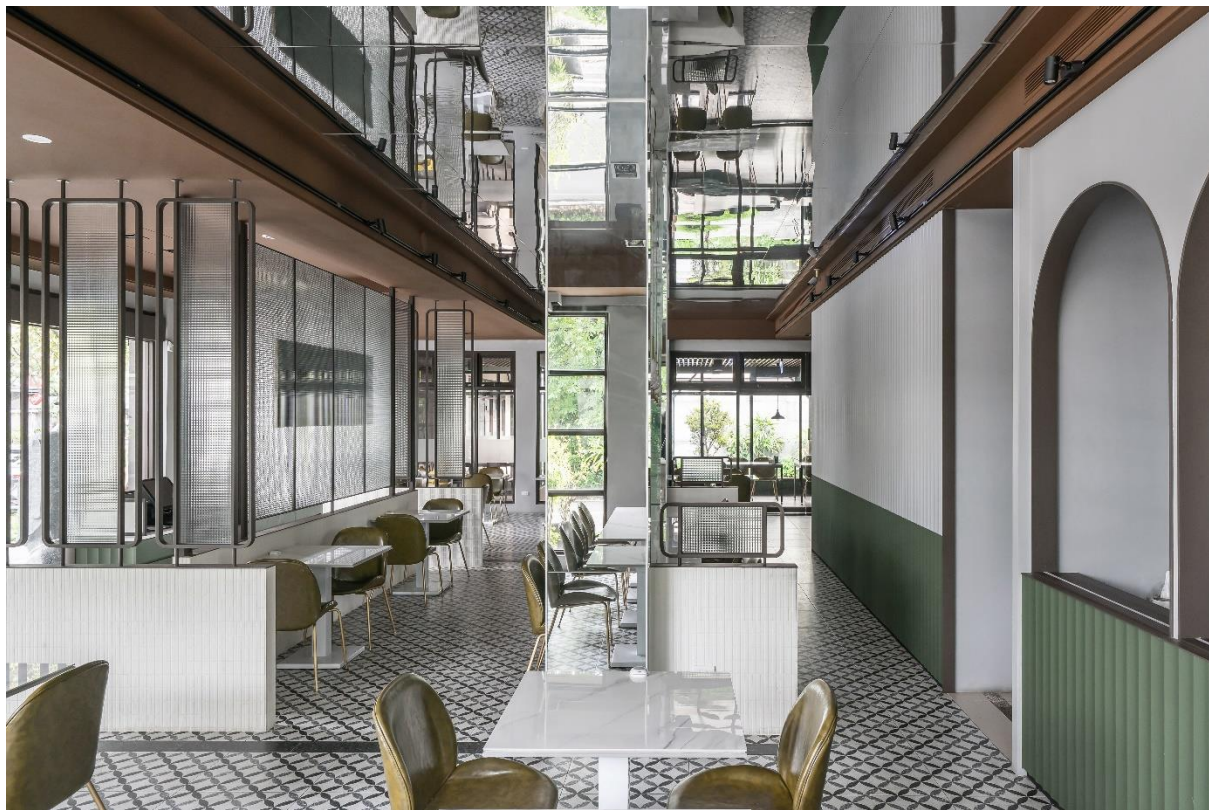

The traffic flow of the restaurant is planned as a "B" shape to smooth the meal service circulation. The floor of the main dining area is fully covered with the Italian matte terrazzo glazed tiles. The tiles with dark green geometric circular patterns on the white background not only show vintage and elegant also bring the cozy atmosphere for this space.

無拼接銀狐白薄板石英石打造複合媒材時尚餐桌，壁面鏡隱藏柱體，延伸而上，天花板鏡面塑鋁板反射映照，視覺挑高增加空間層次。

The tabletops of stylish dining tables are made of silver-white seamless quartz stone sheets. The mirror walls hide pillars to extend the visual space. The mirrored plastic aluminum plates of ceiling reflect the image to enlarge the visual height and increase the spatial level.

飲料吧台區典雅歐式拱門增添浪漫氣息

The classic European style arches in the beverage bar area raise the romantic atmosphere.
