VISION

1

INTRODUCTION

The site is in Miaoli County , and the scope includes the ground floor and quarter of the second floor of a building.

The theme of the competition is LOHAS(Lifestyles of Health and Sustainability)

Miaoli County
Government
苗栗縣政府

Miaoli High Speed
Rail Station

The location of the building
is about two blocks down
the Miaoli high speed railway station.

Site

The site is just on the corner of two streets.

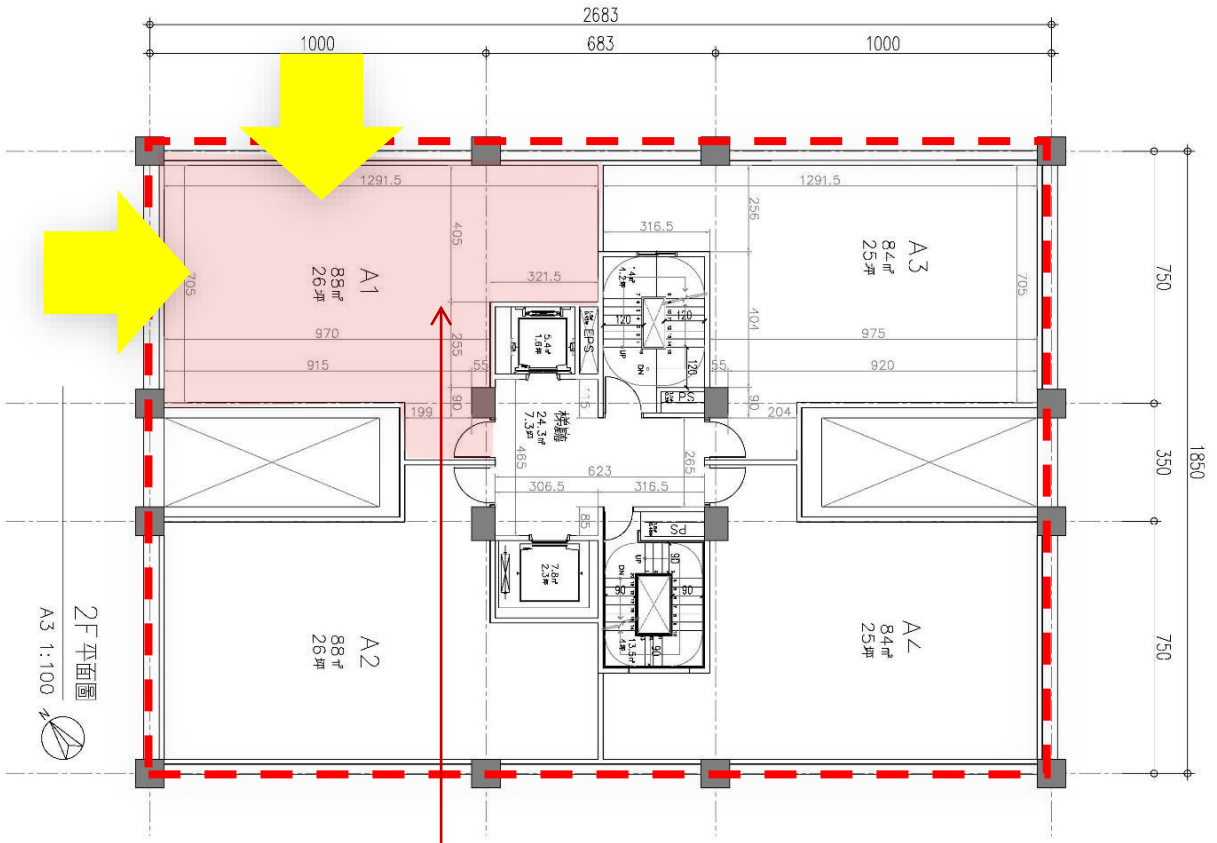

First, I ask myself.

What kind of apartment do we need ?

The **co-living housing** that brings children, teenagers, adults, retirees, and all ages together.

A unit of second floor is about 100 square meters.

[CO-LIVING]

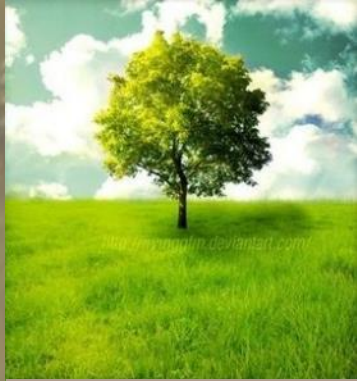

social | nature | light

The three elements of this co-living design are social, nature and light.

2

IDEAS

Learning to live together from nature.

Spring

Summer

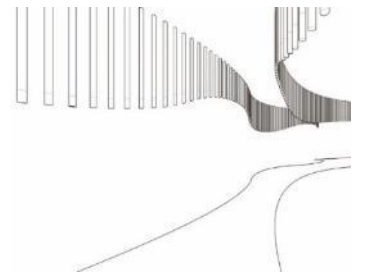

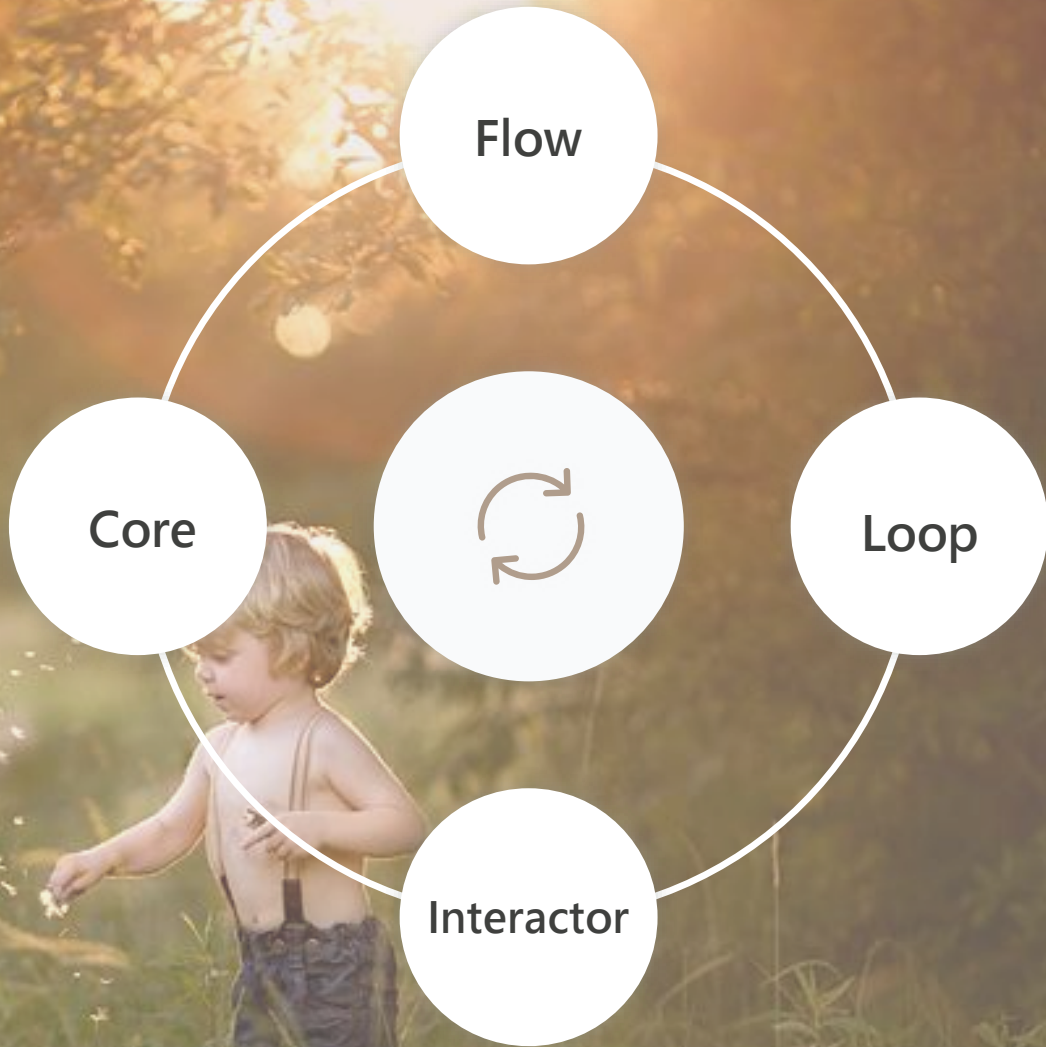

Autumn

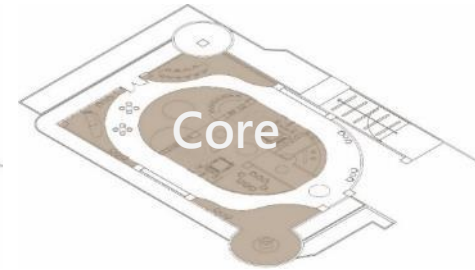

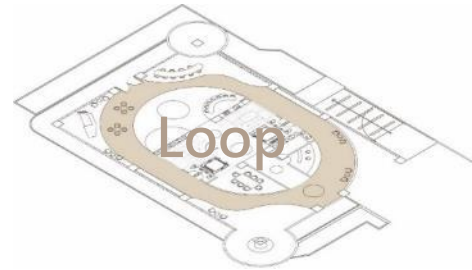

Winter

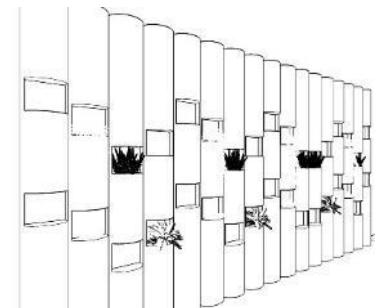

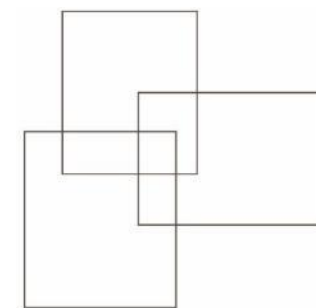

Ceiling, Floor, Wall

Ceiling : The flow is like water to guide people.

Floor : The loop surrounding core leads people.

Wall : The interactive objects connects people.
