售楼中心也可以很时尚!

依循此概念，干净且俐落的空间载体，结合色彩、质材、软装
的适当调配，将光、风、水等自然元素挹注其中，使相异元素于此
不显突兀、相偕相融，营造出一处宛如艺廊般的时尚售楼会所。

The sales center could be very fashionable!

Comply with this concept, with the combination of the
appropriate color scheme, material and furnishing
deployment, thence bring about the clean and neat space.
And infuse the natural elements such as light, wind and
water, merge and blend with those different elements, so as
to create a stylish sales center just like an art gallery.

设计理念 Design Concept

突破原有硬装形构，软件用以不同表情呈显温度，为柔和简雅的基底注入一股艺术张力。
提取金属、有机玻璃等晶亮材质，运用多种自然色系镶嵌其中，两相调性交叠相融，不互抢风采亦不显突兀。

Break through the original hard structure image; alter to make use of varied furnishing expression to bring out an artistic feature of the elegant and plain foundation. Besides, by way of the metal and Plexiglas crystal materials, inlaid with variety natural color systems, thence generate the harmonious tone phases, which not steal each other spotlight nor showy.

楼梯 The Spiral Staircase

延续招待前厅的意象，楼梯转口同样运用了花瓣元素，使自然语汇，透过光照、脚步，拾阶而上蔓延而至。包覆其后的雕塑品，如同回旋的楼梯形体，层层递进，寄寓花瓣周而复始的生命历程，花开花落，翩然呢喃。

In order to carry on the scheme of the reception hall, therefore exploit the same element of flower at the turn of staircases, so that the natural manifestation can spread through the sunlight and footsteps. The layering art craft seems like the revolving staircases, which also indicate the life cycle of bloom flowers.
