在內部設計基本上是運用弧形語彙,而弧像極了缺乏一角的圓,就算缺少了一角,但還是有它美的地方所存在。

In the interior design is basically the use of arc vocabulary, and the arc is like a circle lacking a corner, if it lacks a corner, it still has its beauty.

像是彩虹一樣，主觀上只會看到七色，也期待著下一個顏色是甚麼，就像弧給人的感覺一樣，你會好奇它接下來的動向。

弧形帶有自由、生命、溫和的感覺，此作品想表達的是弧型就像擁抱一樣，時時刻刻的存在在這個空間之中，讓使用者感受到溫暖、溫馨的感覺。

Like a rainbow, subjectively you'll only see the seven colors and look forward to what the next color is, just like the arc gives you the impression that you'll be curious about what's next.

Arc with freedom, life, gentle feeling, this work wants to express the arc is like hugging, the existence of the moment in this space, let the user feel warm, warm feeling.

使得「空間」不再作為固定的場所或靜止地存在，而是以一種生動、變化多端的能量存有。在空間設計中，突破生硬的量體組合，轉而追求連續不斷的「流動」形式；全室以純淨溫潤的暖白，搭佐優美柔和的弧形曲線，展現出空間獨特的脈絡和靜謐之美。

It makes "space" no longer exist as a fixed place or static, but as a vivid and changeable energy. In space design, duole design It breaks through the rigid combination of measurement and body, and turns to the continuous "flowing" form. The whole room displays the unique vein and quiet beauty of the space with pure warm white and graceful and soft curved curve.
