

I Can

Office Design

進入辦公室，映入眼簾的是企業色貨櫃浪板主牆，以貨櫃為喻，代表可以乘載多樣的業務、無拘無束的運往世界任何地方，並搭配入口對比色精神標語，風格簡單俐落又有金屬粗曠的拙趣。

As entering the office, you will be greeted by the main wall with corporate-colored containers, which represents the ability to transport various businesses to any place in the world without any restrictions. With the spirit slogan of contrast color at the entrance, the simple yet clean style also welds the roughness of metal together.

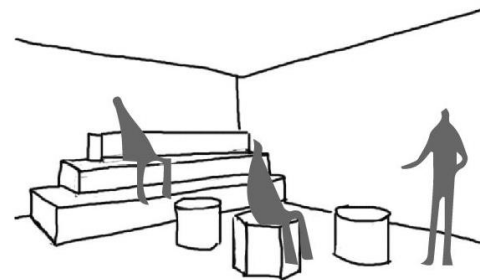

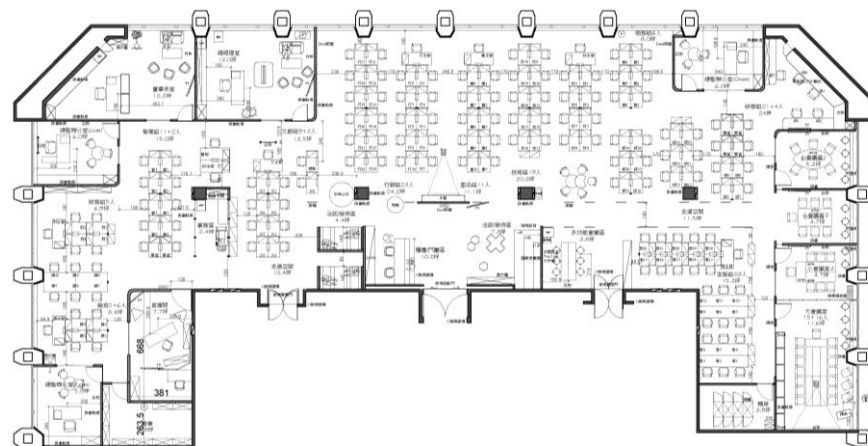

考量短租復原及快速施作的條件下，以文化石壁紙來設計牆壁裸面，搭配仿舊木拼組櫃台，展現空間自然的面貌，並以仿混凝土的壁紙使牆面呈現如水泥牆效果，讓建材詮釋粗獷與細緻等不同風貌，創造混搭工業風格，亦降低未來退租還原所產生之廢棄物，為環保盡一份心力。

Under the conditions of short lease recovery and quick construction, we used cultural stone wallpaper to design the bare surface of the wall, together with the faux wood assembled countertops to show the natural look of the space. To create a mixed industrial style, we used concrete-like wallpaper to make a concrete wall effect, so that the building materials can interpret the different styles of roughness and delicacy, also to reduce the waste generated by the future return of rent.

**Yes, I Can!**

呼應遊戲及新媒體產業追求創新之理念，以粗曠的鐵件及磚牆，搭配趣味大膽的高彩度色塊以及線條，撞擊出具有創造力、年輕活力的工業風格。

Echoing the idea of pursuing innovation for the gaming and new media industry, the bold ironwork and brick walls are coated with fun, bold, highly saturated blocks and lines to create a youthful and energetic industrial style.

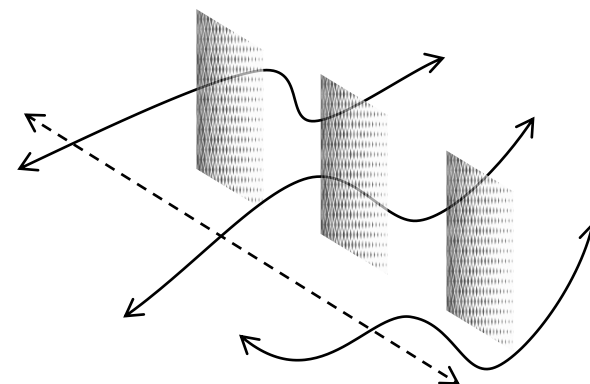

主動線利用企業色地毯，宛如流動的河域，帶領前往各空間陸地。河流動線兩側利用懸吊掛軸展示歷年線上作品，穿透式區隔、相互溝通，呈現一種流動性的開放形式，為空間增加繽紛及趣味性。

Like a flowing river, the main traffic flow carpet is colored with corporate blue, leading us to each space. On both sides of the river flow, hangs scrolls to display the works of previous years, adding colors and interest to space, to facilitate mutual communication, presenting an open form of mobility. It also resembles a sail under canvas sailing towards a bright future.

利用鏤空的鐵網隔屏，解決中段區域陰暗的問題，有效分享採光，使氣流通暢，空間隔而不斷。另在會議室設有活動隔間設計，不但具有隔音效果，彈性隔間規劃，更可以將空間完整的利用。透過不同的素材運用，提供隔間設計更多創意及動線規劃，也讓辦公空間展現更多的使用樂趣及多元機能。

The use of a hollow iron mesh partition solves the problem of the shaded area in the middle section and effectively shares the lighting so that the air flows smoothly, so space is constantly separated. In addition, there is a movable partition design in the meeting room, which not only has a sound insulation effect but also with flexible partition planning, which can make complete use of the space. Through the use of different materials, the design of the partitions provides more creative and dynamic planning, and also allows the office space to show more fun and multiple functions.

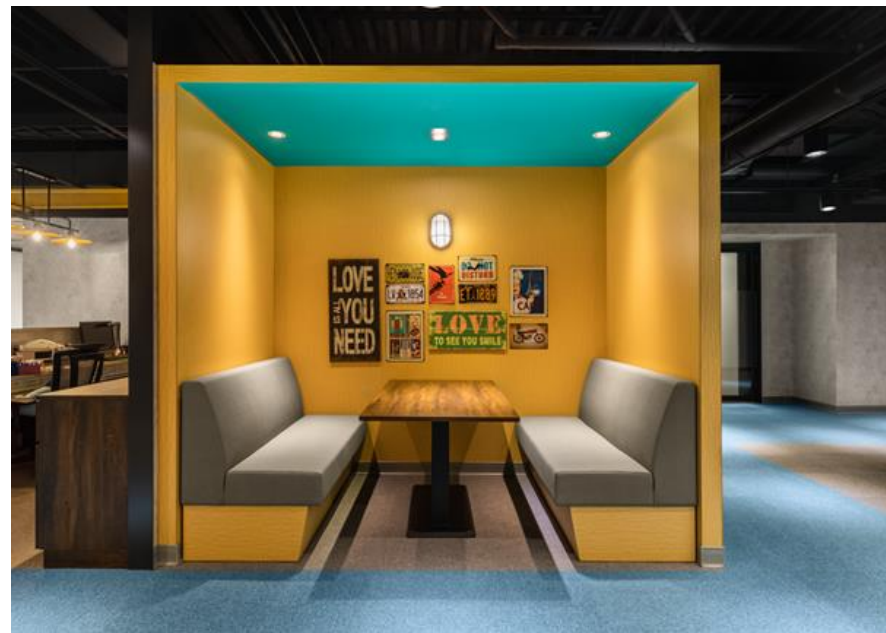

開放式多功能洽談區，以屋中屋造型呈現，提供小型會議、接洽客戶、員工用餐等多功能使用，搭配鮮明色系激發創意想法。工作空間則以4種跳色隔屏，代表對遊戲產業具富有創意且熱忱的心，消除以往辦公空間嚴肅緊張的固有印象。

The open multi-functional meeting area is presented in the form of a house in a house, with bright colors to stimulate creative ideas. Which provides multi-functional use for small meetings, client meetings, and staff dining areas. The workspace is partitioned by four vibrant colors, representing the creative and enthusiastic passion for the game industry, it helps to remove the inherent impression of serious and tense office space.

# I Can

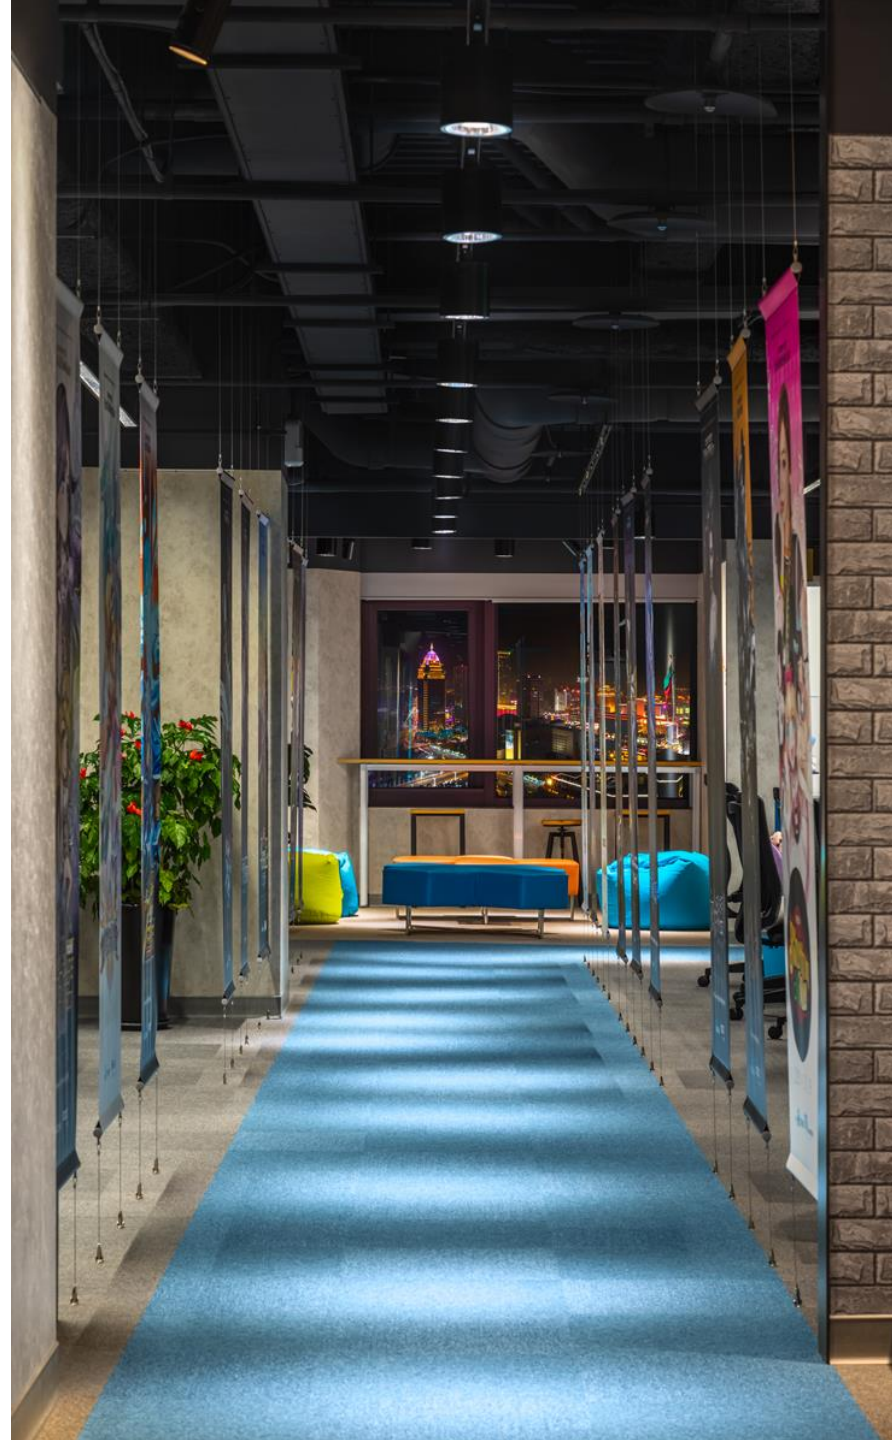

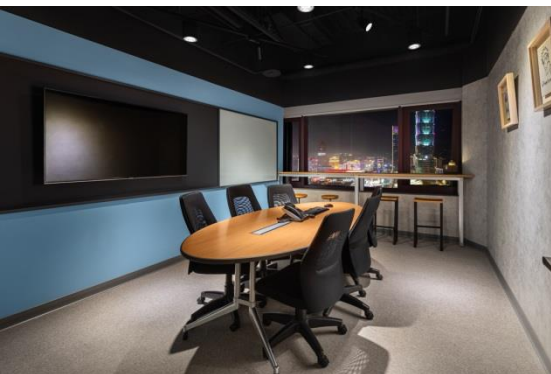

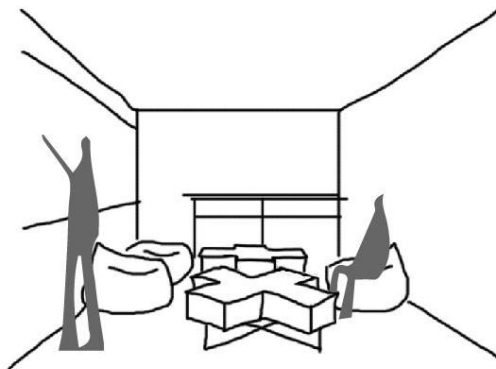

多功能會議室保留窗景，讓國內外賓客得以看見台灣都市景致，遠眺台北101，以輕鬆的氛圍營造話題。

平時亦可作為分組討論、小組活動，或是午餐小歇的地方，使空間能夠更多元有效率的利用，公司環境多了一分活潑與貼心，讓員工抱持著愉悅的心情來上班，更能提升工作效率。

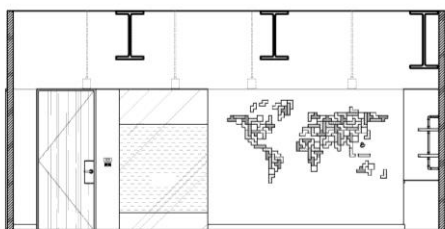

The multi-functional meeting room retains a window view, allowing guests to see the cityscape of Taiwan. With a view of Taipei 101 from afar, a relaxed atmosphere and conversations come along.

This space can be used more efficiently and effectively as a place for group discussions, group activities, lunch breaks...etc.

With a lively and caring environment, employees come to work in a happy mood, which improves work efficiency.

主管辦公室，以俄羅斯方塊拼接的世界地圖，展現對遊戲產業的熱情，坐看窗外科技瞬息萬變，接收資訊即時流通，布局展望未來。

Within the director's office, a world map of Tetris demonstrate passion for the game industry. With the rapid changes in technology, receiving information in real-time circulation, laying out a vision for the future, here is the best place to inhale it all.
