現代山水
Modern Scenery

設計理念

此設計案以濃郁典雅的冷色為基調，營造出高貴穩重的氛圍，搭配設計師匠心獨具的色彩運用，創造出別具特色的空間張力；不同質地的巧妙混搭，更激盪出禪意的和諧。

This design is based on rich and elegant cool-toned colors, creating a noble and stable atmosphere, with the designer's unique use of shades, creating a unique spatial tension; the ingenious mix and match of different textures further stimulates the harmony of Zen.

入口處以流水意象歡迎往來賓客，循環的流水造景象徵這裏的生生不息與動能，與之成為鮮明對比的是後方的岩壁。深灰色的板岩粗獷原始，卻透露出一樣鮮明的生命力。山與水，隱然是一方充滿禪意的山水。

At the entrance, guests are welcomed with the image of circulating water. The circulating flowing water landscaping symbolizes the endless life and kinetic energy, and the contrast with it is the rock wall, styled in dark gray slate, it is rough and primitive, but it reveals the same vivid vitality. Mountains and waters are concealed as mountains.

設計師以巧思妝點空間，大廳正中央懸吊著不規則曲線造型吊燈，彷彿雲朵般漂浮著；跳色的沙發成為視覺亮點，鮮明的黃在一片深色中帶來活力。

The designer decorates the space with creativity. In the center of the lobby is a chandelier with irregular curves, floating like clouds; the color-jumping sofa becomes a visual highlight, and the bright yellow brings vitality in a dark color.

低調精緻

健身房以爪具玻璃牆面隔開，營造親密感的同時也保持了空間的穿透性。需要保持隱私的會議室則採用了低調精緻風格，立體的牆面設計搭配黑色桌椅，並藉由大面積的開窗維持室內的明亮。

This design is based on rich and elegant cool-toned colors, creating a noble and stable atmosphere, with the designer's unique use of shades, creating a unique spatial tension; the ingenious mix and match of different textures further stimulates the harmony of Zen.

堆疊厚度

以深色為主體的空間透過深淺的變化以及石材天然的質地，堆疊出場域的厚度，形構出一幅自然生動的現代山水。

The dark-toned space as the main theme, through the change of depth and the natural texture of stone, stacks the thickness of the field, forming a natural and vivid modern scenery.
